

Recycle and Raise Funds

To do our bit to protect our planet, and to raise money for the school in the process, we have signed up to a recycling scheme with Terracycle, a UK-based company that process currently difficult to recycle products.

To trial the scheme we are launching with two easy ones...

Pringles tubes and Crisp packets.

What do you need to do?

Collect up a bag of empty crisp packets (any brand) or Pringles tubes (with lids) and bring them in to school to the cake stall.

FOBS will then arrange for them to be packaged up and sent off to Terracycle where they'll recycle them, keeping them out of land fill.

Over time we hope to be able to join other schemes, such as beauty product packaging, oral care and pet food packaging.
