

An easy way to raise money for FOBS, and the school, while you do your everyday online shopping. To get started there are some fairly simple steps to follow:

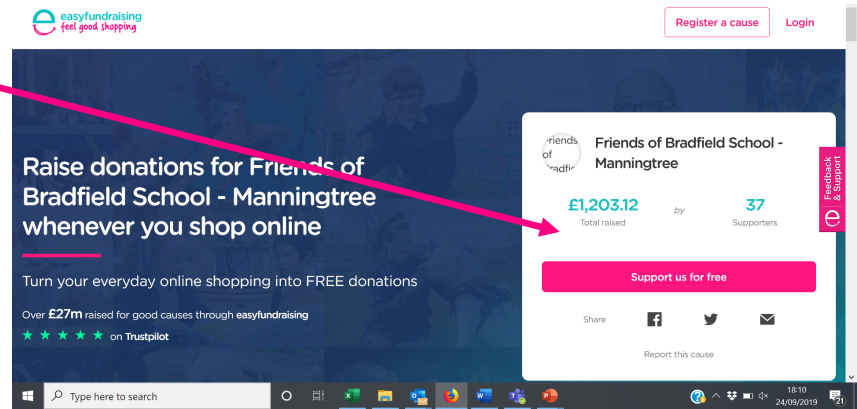

1. Click on this link:

<https://www.easyfundraising.org.uk/causes/bradfieldsch/?invite=L4AWW1&referral-campaign=s2s>
 (clicking on this link will raise us an extra £5, once you have raised £5 as a supporter of the school)

2. Click on the pink box: "Support us for free"

3. Choose whether to create an account with your email address, or use Facebook

(Easyfundraising do not ask or store credit card details)

Once your account is set up you are ready to start shopping and raising funds. You can search on the web-site for your retailer, or there are two tools that make shopping through Easyfundraising really easy:

The donation reminder

<https://www.easyfundraising.org.uk/donation-reminder/>

An app to download on your laptop or PC that runs in your internet browser reminding you with a pop-up when you're visiting a site where donations are available – click to activate donations.

Once downloaded, an  sits in the bar at the top of the screen. Click on it to take you to the easyfundraising web-site where you can check out how the cause is doing, or search for an on-line shop that sells whatever it is you are looking to buy.

The mobile app

Download the app, sign in, and then go through the app to all your usual retailers (opens a web-browser page). You can also keep an eye on your donations and how much money had been raised overall for the school.

If you need help getting started Easyfundraising will talk you through it on a coaching call. You can book a call here
