

Please try to complete at least 4 of these activities over this half term at school.

They link to our topics 'Me and My Community' and 'Exploring Autumn'.

Remember to share your home learning on Tapestry so that I can see it!

RECEPTION Home Learning: Autumn 1

Make an all about me mobile.
You could include photos/drawings of yourself and your family, pets and activities you like to take part in.

Please bring your completed mobile into school to share with the class. It will then be displayed in the classroom so your friends can learn all about you.

Share the Me and My Community Did You Know? facts and key words (attached in email) with a family member. Paint a picture of someone that helps us in the community.

Look at photos of yourself when you were born, when you were 1,2,3 and 4 years old.

Discuss any changes you notice. What might have changed about you that you can't see in the photo? E.g. talking, walking, eating food

Go on a woodland walk. Can you see any signs of animals or birds that have been in the woods? Talk about what happens to trees and plants during autumn.

Create an Autumn picture using natural materials such as leaves, seeds, nuts, sticks and berries.

Share the Exploring Autumn Did You Know? facts and key words (attached in email) with a family member. Can you use the pictures to create your own autumn scene?
