

4th November 2022

Dear Parents,

I am very pleased to be able to share with you the official report from our recent Section 5 Ofsted inspection, which took place on 28-29th September 2022.

You will see that the school has been graded 'Good' in all areas: the quality of education, behaviour and attitudes, personal development, leadership and management, Early Years Provision and overall effectiveness.

To receive such a positive report is the outcome of a huge amount of dedication and hard work by staff, governors- who give freely of their time and energy, the support of parents and the efforts of our wonderful pupils.

The report is clear that the school has many strengths including:

- Pupils are enthusiastic, respectful and their parents are positive about your school
- They experience success and enjoyment in reading and phonics is taught accurately
- The careful thought you have given to the curriculum so that the knowledge pupils need is clear and taught progressively
- Teachers know their pupils well and share leaders' commitment to provide a fully inclusive curriculum
- Pupils develop the knowledge and skills to help them become well rounded individuals
- Governors have a strong understanding of the school

The report also highlights what needs addressing and the steps we are already taking to make improvements.

This is a fantastic achievement for everyone within the school community and I thank you for your continued support, it is greatly valued and much appreciated. We look forward to building on all of our successes and continuing to go from strength to strength.

Yours sincerely,

Mrs Luck-Davies
Headteacher
