Dear Maria,

We were very pleased to receive the report of the recent inspection at your school which judged your school as good in all areas.

The report is clear that the school has much strength which includes:

- Pupils are enthusiastic, respectful and their parents are positive about your school
- They experience success and enjoyment in reading and phonics is taught accurately
- The careful thought you have given to the curriculum so that the knowledge pupils need is clear and taught progressively
- Teachers know their pupils well and share leaders' commitment to provide a fully inclusive curriculum
- Pupils develop the knowledge and skills to help them become well rounded individuals
- Governors have a strong understanding of the school

The report is also clear that you know what needs addressing and are taking the steps to do this. We know that such a report is the outcome of huge amount of dedication and hard work by staff, and from oversight by governors who give freely of their time and energy.

All the very best to you and your school community as you reflect on all the very positive comments in the report, and also as you move on to the next stages in the school's work on your journey to outstanding.

Very best wishes in the important work you do.

Yours sincerely
