

# Parent Forum Minutes-21.04.22

## In attendance

### **School**

Mrs Luck-Davies (HT)

Miss Page (DHT)

### **Parents**

Mrs McCarthy

## Recycling

General discussion about recycling scheme. CM gave positive feedback on the amount of recycling coming into school. CM discussed the amount of work sorting the recycling ready for collection. It is a huge commitment for the small team of parents who are sorting the collections. It would be helpful to have a bigger team of parents to assist with the general upkeep and sorting of the collections.

No emails or messages received from parents for discussion.
