New School Website Now Live

We are excited to announce the launch of our new school website. The site has been designed to be easy to navigate, helping parents quickly find the information they need.

Key sections include term dates, school policies, curriculum information, key contacts and important updates.

We hope the improved layout and clearer structure will make it simpler to stay informed about school life and forthcoming events.

Polite Reminder to Parents and Carers

Please could I remind families that children must not use the play equipment before or after school.

In addition, no scooters or bikes should be ridden across the playground at any time, as this helps us to keep everyone safe.
